### MA Student Major Professor Confirmation

New Master of Arts students are assigned a temporary advisor on arrival. New MA students have until **the first day of UGA's spring break of the first year of the MA program** to submit this form to the Graduate Coordinator. This form requires the signature of the student and the signature of the professor to signal their acceptance of serving as the student's major professor.

The major professor agrees to mentor the student through coursework and the non-thesis or thesis process. If a change of major professor becomes necessary, follow protocol outlined in the Graduate Handbook.
